

SKID PLATE KAWASAKI KXF 450

SOTTOMOTORE KAWASAKI KXF 450

COD. 500006124 REV.2

ACERBIS PARTS

A - (1 PCS)

B - (1 PCS)

C - (1 PCS)

D - (1 PCS)

E - (1 PCS)

F - (2 PCS)

G - (1 PCS)

1
Remove the original water pump guard.
Smontare la protezione originale.

2
Insert the (C) washer to the inside of the plate as indicated in the image.
Inserire la boccia (C) nel sottomotore (A).

3
Cut the rubber tubing (E) into 2 pieces and attach to each side of the (D) bracket.
Infilare nella staffa (D) i 2 gommini (E).

4
Insert the (D) bracket to the backside of the frame as indicated in the image.
Inserire la staffa (D) sul telaio.

5
Loosely attach the linkage guard (B) to the skid plate (A) with the (F) bolts and then place the plate to the bike. The (F) bolts will thread into the existing holes on the frame but do not tighten completely.
Montare il sottomotore (A) e la pinna (B) utilizzando la vite (F) fare solo 3 giri di vite. Inserire l'altra vite (F) fare solo 3 giri di vite.

6
Using the left hand, secure the (D) bracket while lining up the (G) bolt through the (C) washer to attach the plate in the front. Then tighten the (F) and (G) bolts until the skid plate is secure.
Sul lato dx della moto, con la mano sx tenere in posizione la staffa (D). Con la chiave inserire la vite (G) nella boccia e quindi nella staffa (D). Infine bloccare le viti (F) e (G).

WARNING!

IT Utilizza i prodotti Acerbis a tuo rischio e pericolo. Controlla la sicurezza del tuo dispositivo prima di guidare. Assicurati di seguire le istruzioni per l'installazione dei prodotti Acerbis. Non guidare se l'hardware è mancante o danneggiato. In tal caso, riportare immediatamente l'articolo al rivenditore. Assicurati che l'acceleratore e gli altri controlli siano liberi ogni volta che guidi. Il mancato rispetto di queste istruzioni e avvertenze potrebbe causare interferenze con i comandi, perdita di controllo e incidenti. Acerbis raccomanda che l'installazione venga eseguita da un meccanico autorizzato e che durante l'installazione vengano utilizzate solo parti originali Acerbis. Acerbis non fornisce alcuna garanzia o dichiarazione, espressa o implicita, in merito all'adattamento del suo prodotto per qualsiasi scopo particolare. Acerbis non fornisce alcuna garanzia o dichiarazione, espressa o implicita, in merito alla misura in cui i suoi prodotti proteggono individui o proprietà da lesioni, morte o danni.

EN Use Acerbis' products at your own risk. Check the safety of your device before you ride. Be sure that you follow the instructions for installing the Acerbis' products. Do not ride if there is missing or damaged hardware. If this is the case, take the item immediately back to your dealer. Make sure the throttle and other controls are free every time you ride. Not following these instructions and warnings could lead to interference with the controls, loss of control, and accidents. Acerbis recommends that installation must be done by a licensed mechanic and that only Acerbis' original parts are used during installation. Acerbis makes no guarantees or representations, express or implied, regarding the fitment of its product for any particular purpose. Acerbis makes no guarantees or representations, express or implied, regarding the extent to which its products protect individuals or property from injury or death or damage.
