KIGNOL FORK SAVER
0024498

0024498.010

0024498.030

0024498.090

FEATURES

Limits pressure on the fork during transport, when the hydraulic seals of the suspension are under strain from the pressure exerted by the motorbike straps
Is easily positioned by fastening and snapping it into place to the forks, between the front wheel and the front mudguard, making the motorbike stabler
Can be used for transport with a trailer, van or pick-up
Tab sticker in the middle with the possibility of customising with a marker

Includes bar ends and a wall guard cap, to prevent chafing between the bar and the side wall of the van or walls and where bars come into contact with each other when transporting several motorcycles on the trailer
The bar end can be used with or without the handguard closed
Resistant and light
Quick installation
