JERLA BAG
0024428

0024428.318

FEATURES

Backpack-bag capacity 102 litres
Dimensions 59cm x 52cm x 36cm
weight 2Kg

The backpack bag holds all the specific equipment for sportsmen and women practising off-road disciplines: motocross/Enduro/trial/motard . Thanks to the backpack design, it is possible to transport all the necessary equipment up and down stairs or paddocks in rough terrain

The vertical structure reduces the overall bulk of the backpack, in the trunk of the car and van

Made with two comfortable external side pockets in breathable fabric, designed to store the boots separately from the other contents of the backpack-bag.

A deep central compartment holds all the necessary equipment: helmet, chest protector, knee pads, trousers, jersey, mask, gloves, etc...

A top compartment divider keeps off-road clothing separate from the change of clothes, preventing them from getting dirty

The front pocket, useful for storing small objects once opened, becomes a comfortable footrest allowing you to get dressed while keeping your feet dry and clean

Sliding adjustable straps distribute the weight evenly on the chest and not on the shoulders

Use of breathable fabric in back contact area

Ideal for off-road use MOTOCROSS / ENDURO / ATV / TRIAL/MOTARD
